

**GUIDE TO ADDING TIM WEBSITE TO HOME SCREEN FOR
ANDROID DEVICES**

Below is a step-by-step guide on how to add the TIM website to your home screen as an application through the Chrome browser on your Android.

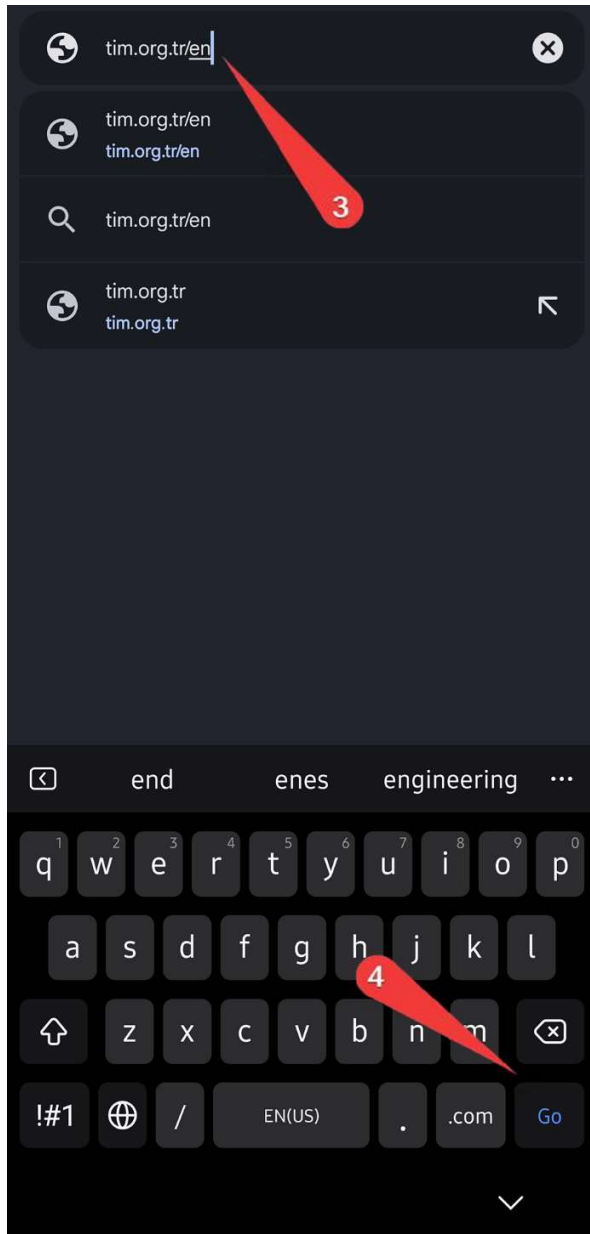

Step 1: Open the Chrome app.

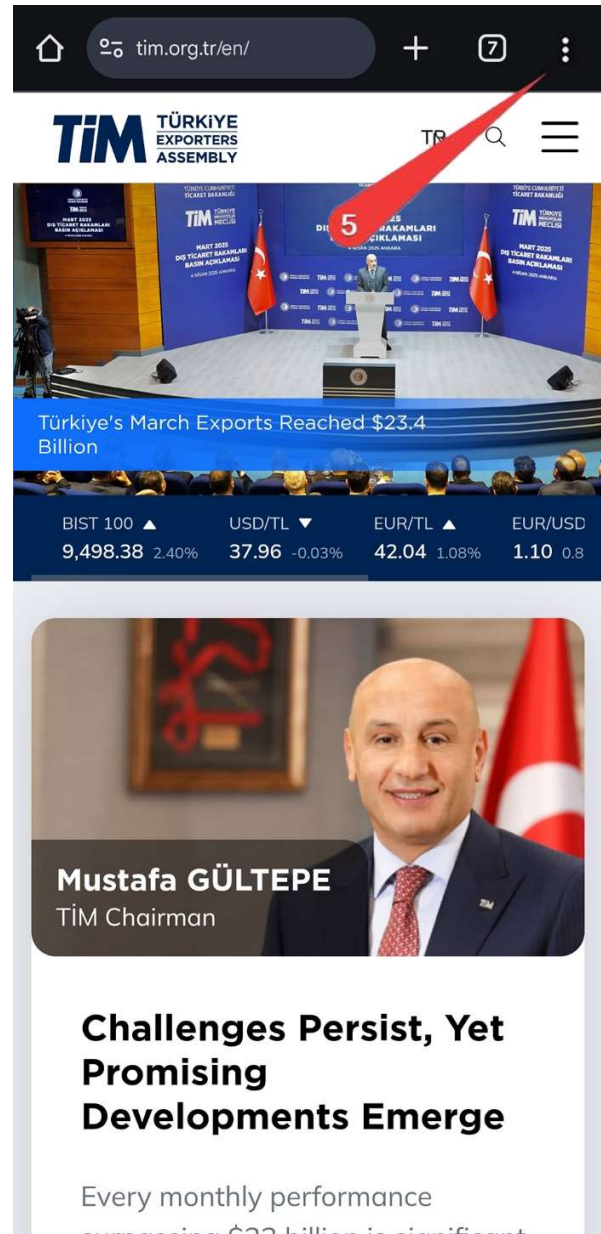

Step 2: Click the search bar in the opened browser.

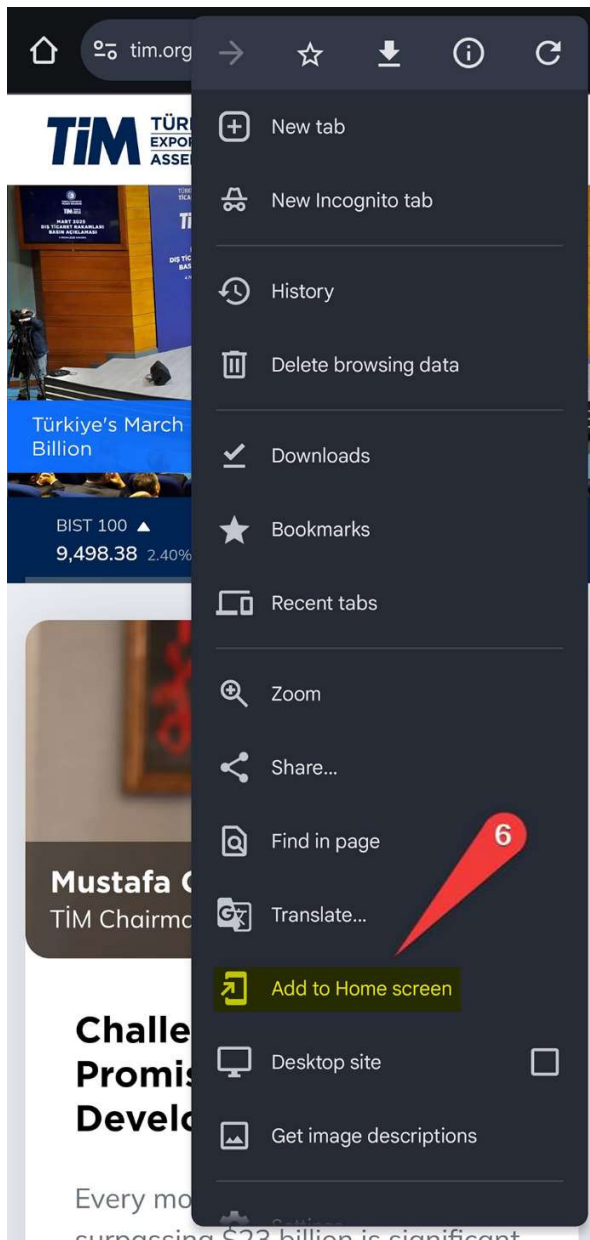

Step 3: Enter the TIM website address (tim.org.tr/en) in the search bar and click "Go".

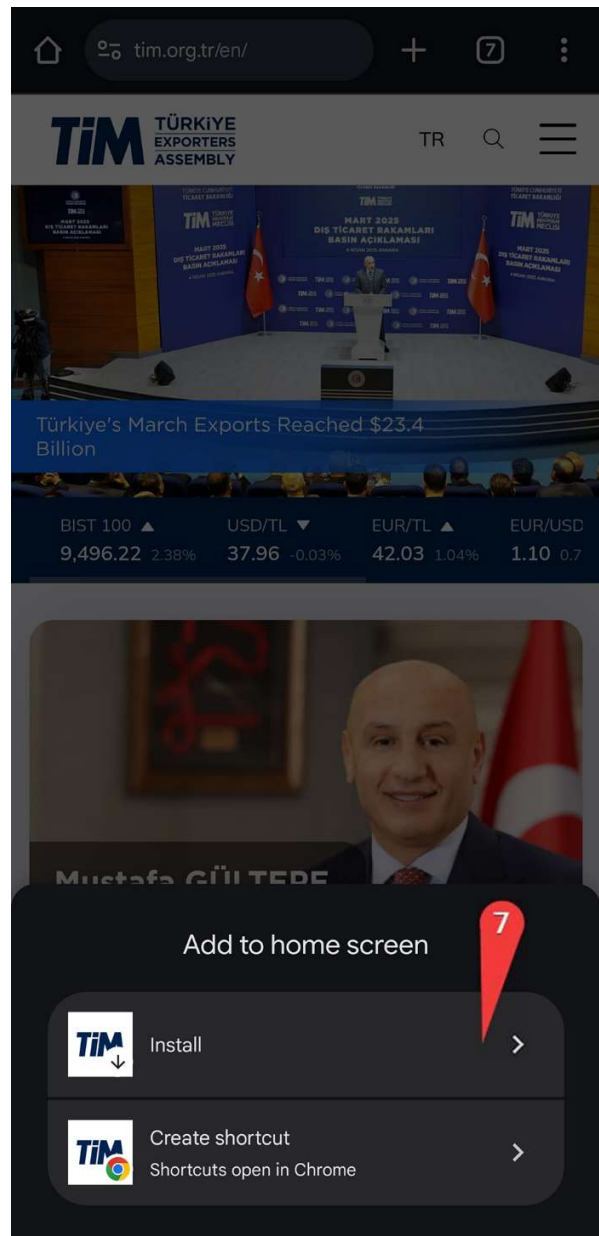

Step 4: Click the "Share" icon (three vertical dots) at the top-right corner of the screen once the site has loaded.

Step 5: From the dropdown menu, tap on the option "Add to Home screen".

Step 6: On the screen that appears, click the "Install" button.

Step 6: On the screen that appears, click "Install" .

Step 8: The website has now been added to your device as an app. You can access the site directly by tapping the icon on your home screen.
